Share Today. Shape Tomorrow.

When you share your love, time, and experience, you have the power to help a child who needs you. As a Foster Grandparent, you are a role model, a mentor, and a friend. Serving at one of several local organizations—including faith-based groups, Head Start Centers, schools and other youth facilities—you help children learn to read, provide one-on-one tutoring, and guide children at a critical time in their lives. Put simply, you give the kind of comfort and love that sets a child on the path toward a successful future.

Giving Back Helps You Too

When you volunteer, you're not just helping others— you're helping yourself. Volunteering leads to new discoveries and new friends. Plus, studies show that volunteering helps you live longer and promotes a positive outlook on life!

You Have What it Takes

If you are 55 and want to share your experience and compassion, you have what it takes to be a Foster Grandparent. Foster Grandparents serve up to 40 hours per week. Some volunteers may qualify to earn a tax-free, hourly stipend. In addition, with Foster Grandparents, you'll receive pre-service orientation, training from the organization where you serve, and supplemental accident and liability insurance while on duty.
